

WHY USE THE TUITION TAX CREDIT?

- Costs NOTHING
- The process is easy
- Makes a huge impact in the life of a child
- Makes private education affordable for all
- Recommend a child or school to benefit
- Helps the state financially - saves millions of dollars

HOW IT WORKS

All Arizona workers owe state taxes. Arizona allows singles and married couples to redirect their state tax dollars to a tuition tax credit organization like TOPS for Kids.

	Tax Year: 2021	2022
	Single Max: \$1219	\$1243
	Original: \$611	\$623
	Plus: \$608	\$620
	Married Max: \$2435	\$2483
	Original: \$1121	\$1245
	Plus: \$1214	\$1238

Donors take the “donated” money as a credit against the Arizona state taxes they owe when they file their state tax returns. Donors can recommend a private school or students they would like the money to benefit. If left blank, the funds go to help low-income families with education costs.

Notice: A School Tuition Organization cannot award, restrict or reserve scholarships solely on the basis of a donor's recommendation. A taxpayer may not claim a tax credit if the taxpayer agrees to swap donations with another taxpayer to benefit either taxpayer's own dependent. (A.R.S. 43-1089)
