

Merry Christmas

Dear (Recipient's Name),

Wow! I can't believe it's almost Christmas! As we near the end of the year, we can't help but reflect on the goodness of God and all the blessings He has bestowed upon our family. One of those blessings is (family)(your friendship)! Thank you for (state something specific). (Update on family).

As we reflect on the year, we are thankful for the privilege to be able to send our children to a private Christian school! God has enabled us to do that through the AZ private school tax credit program. Our children would never be able to attend (SCHOOL name) without the help of tax credit scholarships from TOPS for Kids. The tax credit scholarships come from AZ taxpayers that redirect their state taxes and receive a dollar-for-dollar tax credit for their donation. This program allows donors to have a say in where their tax dollars are spent. Your tax dollars could help our children continue to thrive in their education. Would you consider recommending our children when making your donation? If you have donated to our children in the past, we are so very thankful! We could not do this without you!

The process to donate is easy and it costs you nothing as you receive it all back as a tax credit. Simply go to TOPSforkids.com and complete the online form to pay with credit card or complete the donor brochure and send it with a check to TOPS. Your donation can be given any time throughout the year. We would appreciate it if you would recommend [STUDENT'S NAME(s)] at [SCHOOL NAME]. Please see the included TOPS Donation Form for more details and credit limit amounts for this tax year. If you choose to donate, please let us know so we can express our gratitude since donor information is confidential. Thank you for considering this valuable school choice program in supporting our children's education. It is a gift that costs you nothing, but the benefits to us are immeasurable!

With grateful hearts,

The (Name) Family
